SOURCES SOUGHT NOTIFICATION

This notification is for informational purposes only. This is not a request for proposal.

Stratolaunch is issuing this sources sought synopsis as a means of conducting market research to identify third parties having an interest in, and the resources available, to support a potential future requirement for the following service need areas:

- Contamination Analyses (NAICS: 541715 and/or NAICS: 541611)
- Payload Adapter Engineering Analyses and Feasibility Studies (NAICS: 541715)
- Space Debris Assessments and Reports (NAICS: 541715)
- Payload Isolation System(s) (NAICS:336419 and/or NAICS: 541611)
- Hydrazine Analyses and Servicing (NAICS: 336419 and/or NAICS 541690)
- Nitrogen Analyses and Servicing (NAICS: 336419 and/or NAICS 541690)
- Poly-Pico Orbital Deployment Services and Analyses (NAICS: 336419 and/or NAICS: 541611 and/or NAICS: 541715).

The result of this market research will contribute to determine the method of procurement, if any. This is not a formal solicitation nor request for proposal. This notice does not constitute an offer, invitation, or requirement to buy on behalf of Stratolaunch. Submission of any information in response to this market survey is purely voluntary and companies will not be paid or reimbursed for any responses submitted. *Please do not send any Confidential Information (e.g. trade secrets or classified), Business Proprietary information, or International Traffic in Arms regulated information to Stratolaunch.*

Interested parties who consider themselves qualified are invited to submit a response to this Sources Sought Notice by **February 5, 2018 at 5:00pm Pacific Time.**

Information submission details shall include:

- Company Name and Contact Information (including Company website address),
- Company size, company type, and ultimate parent company ownership,
- Any certifications or documentation related to small business status claimed,
- CAGE Code and DUNS Number,
- Past Performance of similar work performed, and
- Specific technical capabilities and experience your company possesses through a brief statement of capability.

Based on the responses to this notice/market research, this requirement may be set-aside for small businesses or have the potential to be procured through full and open competition or sole source justification methods. No feedback will be provided to companies regarding any submissions.

Should you have any questions or concerns for the matter of this letter, please contact Ms. Jennifer Ogren at 505 Fifth Avenue South, Suite 550, Seattle, WA 98104 or via electronic message at Jennifer.Ogren@stratolaunch.com.

Sincerely,

A handwritten signature in cursive script, appearing to read "Jennifer Ogren".
